

Educational Endowment Fund Established

The Southeast Fountain School Corporation Education Endowment Fund was recently established. This fund will provide grants to the Southeast Fountain School Corporation for projects and programs suggested by teachers, support staff and/or administrators for support of innovative and creative educational opportunities, as well as current program enhancements. Overtime this can become a major charitable fund for those interested in improving the quality of education in the Southeast Fountain School Corporation. This fund is open to contributions and any individual, family, group or business is encouraged to contribute to this fund. All gifts to the fund; including cash, stock, real estate, life insurance and bequests are tax-deductible to the full extent allowed by law. Memorial and honor gifts are also welcome. All gifts can be sent to: Southeast Fountain Community Foundation - Southeast Fountain School Corporation Education Endowment Fund, PO Box 95, Veedersburg, IN 47987. For questions, call 793-0702.
