

# **Southeast Fountain Elementary School**

## **5th Grade Behavior Policy 2009-2010**

To ensure success and learning for all students, we have incorporated the following behavior policy:

1. Student will receive a verbal warning.
2. Student will be highlighted on a clipboard resulting in a loss of recess for the day.
3. After a student has been highlighted three times in one week, the student will receive a lunch detention.
4. If a student is highlighted four times in one week, he/she will receive an after school detention.
5. Further infractions will be referred to the administration for discipline.

At Southeast Fountain Elementary, we want to provide a safe environment for our students. We feel that we need to incorporate this policy due to excessive disruptions in class, interpersonal conflicts, and not completing classroom requirements.
