

3rd Grade News and Information for January 2019

Congratulations to Cortney Dolph & Cale Pate for being selected as “**Students of the Month**” for third grade for December! Way to go!

Congratulations to ALL third grade students for earning the “**Attendance**” award for December for the third month in a row! - This is AWESOME!

Homework: Work on addition, subtraction, multiplication, & division fact fluency. - IXL (on student homepage) has some good fact skill lessons for students to practice. Read at home (from books or online - RAZ Kids on student homepage is a good source). Check “Read n Quiz” on student homepage to take comprehension quizzes on books that have a quiz for them.

Reading Skills taught/practiced in January are: story structure, theme, conclusions, point of view, text & graphic features, context clues, prefixes & suffixes, main idea/details, & literal/nonliteral meanings of words & phrases

Math Skills taught/practiced in January are: Fractions - understand unit fractions, find equivalent fractions, and compare fractions

Boxtops for Education: Please continue to save & send these labels to school with students.

Outdoor Recess: Students need to bring a hat & gloves/mittens to wear for outdoor recess (along with their heavy coats).

Have a Safe & Happy 2019!
