

## 4th Grade December Newsletter

4th Grade is an exciting place to be!! We are working on decorating our hallway for Christmas. All students will be creating a snowflake that we will be hanging in our Winter Wonderland.

Rather than do a gift exchange 4th grade will be doing a food drive for the holidays. We ask that rather than buying gifts that you bring in a non perishable food item(s) for our drive. The food is given to local pantries, which means it helps families in our communities.

Christmas parties will be at 2:00 on December 21. Please send \$2 with your student for party supplies. (\$4 if you want to help out another student) If you are interested in volunteering to help out please contact one of the 4th grade teachers.

Indiana's Birthday is December 9 and we will be doing some special activities during the day to celebrate.

Don't Forget ~

- Students should know their multiplication and division facts. We will be doing multiplication up to 4 digits and long division soon. Keep practicing them nightly.
- Students are expected to have 20 Reading Counts points per nine weeks. This counts towards their reading grade.

### Dates to Remember

|                    |                          |
|--------------------|--------------------------|
