

4th Grade December Newsletter

Rather than do a gift exchange 4th grade will be participating in the CFL Animal Rescue drive for the holidays. We ask that rather than buying gifts that you bring in items/donations for the shelter. This rescue works directly with animals in our community.

Christmas parties will be at 2:00 on December 20th. Please send \$ 3 with your student for party supplies. If you are interested in volunteering to help out please contact one of the 4th grade teachers.

Indiana's Birthday is December 11. We will be doing some special activities on Friday to commemorate this day.

Don't Forget ~

- Students should know their multiplication and division facts. We are doing 4 digits times one, 2 digits by 2 digits, and up to 4 digits in division.
- Students should be reading library books and taking quizzes weekly on Read n Quiz
- We will have a grade level spelling bee for students that are interested in trying out for the school wide spelling bee that will be held after winter break. Homeroom teachers will be giving out details soon.

Congratulations to the November students of the month from Mrs. Bolser's class
Damien Burd and Ashley Rogers

December 22- Jan 2	Winter Break

HAPPY HOLIDAYS!!

Parents:

The 4th grade teachers strongly feel that every student needs recess time every day. We believe this time is vital to helping them to be successful in the classroom. Therefore, we will no longer be using this time for school work and/or behavior consequences. Consequences will now be as follows:

- Excessive talking
- Not following classroom/hallway/cafeteria/bathroom rules

Will result in sitting alone during lunch.

Furthermore, issues with not completing classwork/homework or being behind on skills may result in after school detention or missing special events. **Assigned after school detentions are mandatory. You are required to provide or arrange transportation for your student to be picked up by 4:30.**
