

Dorothy G. Songer Scholarship

I. Philosophy

Dorothy G. Songer was a life long resident of the Southeast Fountain School District and, upon her death, she bequeathed funds to establish scholarships for graduating seniors from Fountain Central Junior-Senior High School. Few instructions were left in her last will and testimony instructing the school as to how the scholarship is to be administered. It, however, is evident that Mrs. Songer recognized the value of education and, through her generosity, wished to financially assist deserving students toward reaching the goal of obtaining a college degree.
