Continue practicing the High Frequency and Spelling words each day as they are getting more difficult as the school year progresses.

As long as it is not raining or snowing we will be going outside for recess daily. Please continue to make sure your child is dressed appropriately and has a warm coat.

Classroom teachers will need \$3 per student to cover the cost of the classroom Valentine's Day party. This will be our last party of the school year. Thank you for being so supportive and assuring the children have fun at their parties.
