## The Scholarship

The Hagan Scholarship will help pay the unmet financial need of the recipient.

1. The scholarship disbursement amount will be determined each semester by HSF by using one-half of the Total Cost of Attendance (COA) published by the National Center for Educational Statistics and posted to the HSF website less \$1,250; then subtracting the dollar amount of ALL scholarships, awards, grants, waivers, and one-half of the recipient's EFC.
2. The award amount can be increased subsequent semesters to offset the expiration of other scholarships, grants, and awards.
3. The scholarship is renewable for up to eight consecutive semesters if the recipient fulfills the renewal criteria and attends the mandatory workshops.
4. **During the fall semester of the second year of college** each recipient will be provided with a \$15,000 Schwab Scholar Account.
5. **During the fall semester of the third year of college** each recipient achieving a 3.50 CGPA will be eligible to receive a Study Abroad Award worth up to \$8,000.
6. **During the fall semester of the fourth year of college** each recipient will receive \$2,000 to fund a personal Schwab Brokerage Account.
7. There is no limit to the number of credit hours a recipient can earn during the term of their scholarship. Recipients graduating college in less than four years can use the remainder of their Hagan Scholarship to attend graduate school, or a professional school.
8. **Recipients must attend a free summer workshop prior to the start of each academic year of college.**
