### ***Summer Basketball is Near***

As the end of the school year approaches, the time for individual improvement is now. The off-season is the best time for players to work on those parts of their game that they need to improve. We will play several games over the summer, but players who really want to improve must spend time on their own developing their game. We have a chance to have a very successful season next year, and we need to be building toward a great season already.

### ***Open Gyms in April-May***

We will continue to have open gym on Sundays at 5pm and Tuesdays at 6pm until the end of the school year. All 6<sup>th</sup>-12<sup>th</sup> graders interested in working on basketball are encouraged to come.
