

Dear Parent, Guardian, or Staff Member,

The Indiana State Chemists Office requires us to notify parents, guardians, and staff of pesticides we will apply during the year. These applications are performed by licensed professionals periodically to keep our buildings and grounds free of unwanted insects rodents and pests. If you wish to be notified each time a pesticide is applied at your school, please fill out the form below and return it to us. If you have additional questions, feel free to contact me at yorkb@sefschools.org or 1.765.294.2206 XT 2004.

Thanks,

Brian York

Director of Maintenance

REQUEST FOR NOTIFICATION (Pesticide Application)

I would like to be notified every time a pesticide application is to take place at my child's school.
