

## Precision Machine Instructor Needed - Attica High School, Attica Indiana

Located at Attica High School, this Wabash River Career and Technical Education District (WRCTE) Program serves high school students from Attica, Covington, Fountain Central and Seeger Memorial High Schools.

The Precision Machine program at Attica has a history of and is known for creating quality graduates that are ready for the workforce. The desire of the WRCTE is to continue that tradition. The successful candidate will have experience in the machine trades industry and the ability to share that knowledge with their high school students.

We are looking for an individual who has documented work experience in the machine trades; working knowledge of a variety of machines and new technology; willingness to obtain additional training as necessary; ability to continue and create new industry connections that will assist in growing the program.

Minimum work experience required in order to obtain the Indiana Department of Education Workplace Specialist License. Must meet one of the following criteria.

1. 6,000 hours (3 years) in the last five (5) years.
2. 4,000 hours in the past ten (10) years and demonstration of occupational competency test.
3. 4,000 hours in the past ten (10) years and evidence of occupational licensure or occupational proficiency based on approved regional, state, or national board training and evaluation.
4. 4,000 hours in the past ten (10) years and completion of an accredited 2-year or higher degree in the specific certification area
5. 4,000 hours in the past ten (10) years and completion of an apprenticeship or internship program.

This position is set to begin in January. Position open until filled.
