On a separate sheet of paper, write a brief paragraph answering each of the following questions:

1. Why do you want to be a Professional Educator?
2. What are the traits and skills you can identify as being characteristic of a good teacher?
3. By whom and in what way have you been inspired to seek a career in teaching?

To enable the scholarship committee to make a final selection, please complete the application and return it to the Guidance Office no later than April 1.
