

# Third Grade News & Information for March 2019

**Important!** - Third grade students will be taking the IREAD state-mandated test on March 18th & 19th. These were originally flex days, but are now make-up days and school will be in session. It is ideal for students to be in attendance. March 20th will be a test make-up day if necessary. ALL third grade students must take this test. IF they don't take it from March 18th-20th, they will have to take it after school is finished for the summer (end of May/beginning of June). So, please make necessary plans to make sure students are here on March 18th & 19th,
